McCarthy Tire Service

340 Kidder Street, Wilkes-Barre | 570-822-3151
www.McCarthyTire.com

McCarthy Tire Service has been owned and operated by the McCarthy family since its start in 1926.

"I can't stress enough the importance of the team that we've built, right down to the service techs and the people in the warehouse," said John D. McCarthy Jr., president of McCarthy Tire Service. "The people we work with make us different from anywhere else. They care. The hours they put in, the quality of work they put in - they're just great people."

The current owners are John D. McCarthy Jr., president, Kathleen McCarthy Lambert, CFO, and Mary Ellen McCarthy Horn.

The fourth generation of McCarthy's - John D. McCarthy III, Colleen Horn Doyle, Esq., Daniel Horn, Gary Lambert Jr., Mary Kate Henry, and Timothy Lambert - have joined the business and serve in sales, operations, human resource, accounting, and legal roles for the company. They work alongside their parents, learning the day-to-day functions of the family business from the ground up.

McCarthy Tire Service is a national tire dealer headquartered in Wilkes-Barre, Pennsylvania. They have 60 service locations and 10 retread tire manufacturing plants along the east coast in New York State, New Jersey, Pennsylvania, Maryland, Virginia, West Virginia, North Carolina, and South Carolina. Their slogan is "From big to small, we have them all." They sell a full range of tires - wheelbarrows, golf carts, and cars up to tractor trailers and the giant earthmovers used on mine sites – and they service what they sell. They also offer fleet services, truck mechanical services, 24-hour roadside assistance for trucks, retread manufacturing for truck and bus tires, and mechanical services and repairs for cars and light truck. They have won numerous awards and recognitions including "Tire Dealer of the Year 2019", "6th Largest Independent Commercial Tire Dealer in US, 2019", "7th Largest Independent Retread Manufacturer in US, 2019"- all by Modern Tire Dealer and "Best Automotive Service 2017" and "Best Places to Work 2017 and 2018" from the Times Leader, just to name a few.

www.BrittanyBoote.com

Boote Photography is owned and run by Brittany Boote. She opened the business in March 2017.

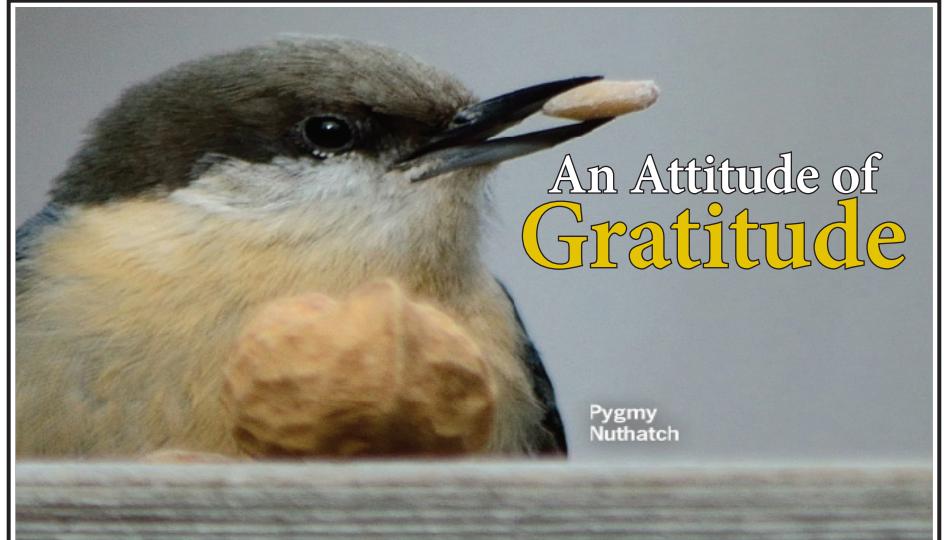

"I do have a whole lot of "unofficial" help from my family and the people around me. I really couldn't have grown this company without them.", said Boote. One of her photos was featured in "Best of the Best Engagement 2019" where it was selected as one of the best engagement photos in the world. "That was really surreal and exciting to be included with artists that I really look up to in this industry," she added. Brittany has had amazing opportunities to photograph all over the world, and likes to put that culture and flavor back into her work here in NEPA.

Boote Studio, which is a collection experienced associate photographers, has a focus on weddings, couples and family photography. Boote Photography focuses on the client experience. "It's really important to me to constantly be evolving, growing, learning and finding ways to provide a more valuable product for the community."
